NOTICE TO THE HOME LOAN APPLICANT CREDIT SCORE INFORMATION DISCLOSURE

APPLICANT(S) NAME AND ADDRESS	LENDER NAME AND ADDRESS (ORIGINATOR): BlueMortgage.com 7857 Florence Ave Suite 204 Downey, CA 90240
-------------------------------	--

In connection with your application for a home loan, the lender must disclose to you the score that a consumer reporting agency distributed to users and the lender used in connection with your home loan, and the key factors affecting your credit scores.

The credit score is a computer-generated summary calculated at the time of the request and based on information a consumer reporting agency or lender has on file. The scores are based on data about your credit history and payment patterns. Credit scores are important because they are used to assist the lender in determining whether you will obtain a loan. They may also be used to determine what interest rate you may be offered on the mortgage. Credit scores can change over time, depending on your conduct, how your credit history and payment patterns change, and how credit-scoring technologies change.

Because the score is based on information in your credit history, it is very important that you review the credit related information that is being furnished to make sure it is accurate. Credit records may vary from one company to another.

If you have questions about your credit score or the credit information that is furnished to you, contact the consumer reporting agency at the address and telephone number provided with this notice, or contact the lender, if the lender developed or generated the credit score. The consumer reporting agency plays no part in the decision to take any action on the loan application and is unable to provide you with specific reasons for the decision on a loan application.

If you have questions concerning the terms of the loan, contact the lender.

Our service providers may include billing service providers, mail and telephone service companies, lenders, investors, title and escrow companies, appraisal companies, etc.

We may also provide information about you to our service providers to help us perform marketing services. This information provided to these service providers may include the categories of information described above under "How We Gather Information" limited to only that which we deem appropriate for these service providers to carry out their functions.

Opting Out

We also may share information about you within our corporate family of office(s). We may share all of the categories of information we gather about you, including identification information (such as your name and address), credit reports (such as your credit history), application information (such as your income or credit references), your account transactions and experiences with us (such as your payment history), and information from other third parties (such as your employment history).

By sharing this information we can better understand your financial needs. We can then send you notification of new products and special promotional offers that you may not otherwise know about. For example, if you originally obtained a mortgage loan with us, we would know that you are a homeowner and may be interested in hearing how a home equity loan may be a better option than an auto loan to finance the purchase of a new car.

You may prohibit the sharing of application and third-party credit-related information within our company or any third-party company at any time. If you would like to limit disclosures of personal information about you as described in this notice, just check the appropriate box or boxes to indicate your privacy choices.
